

**AUTHENTIC LEADERSHIP COURSE – WHAT PARTICIPANTS
SAY:**

Stephen and the AUT team certainly inspire a passion for leadership. The experience gained and insights learnt on this programme are really life changing. This is authentic leadership at its very best, positive change and identity resulting in a complete understanding. I would recommend this to anyone who is really ready for the authentic journey.

Steve Aston, Operations Manager, The Warehouse

Stephen and the team have put together a first rate and unique course. I particularly liked their emphasis on leadership needing to be authentic and true to the individual. I wholeheartedly recommend this course to anyone who wants the best from their management team.

The Authentic Leadership Course has been an inspirational, insightful course. It has been a great journey. The facilitators and coaches have provided support and guidance through the week that have given me some excellent and innovative ideas to take back to the workplace and has helped me towards becoming an authentic leader.

Sue Fielder, Apparel Distribution Manager, The Warehouse

Stephen and his world class team have developed a “true” leadership course. Be prepared to make a journey of discovery as you begin to understand your surroundings whilst beginning to find an understanding of yourself. Authentic leadership starts from within. This course will give you the tools.

Kevin Ha, Incubator Business Manager, AUT Business Innovation Centre

A course that will change how you lead, not just teach you the theory. It is suitable for all senior leaders where you learn as much from others on the course, as you do from the course content itself.

Chris Lamers, Head of Marketing & Product Development, Loyalty New Zealand (Fly-Buys)

I truly enjoyed the Authentic Leadership Course. It has given me the opportunity to grow as an individual and as a professional. The team is very experienced and supportive of the participants. I can truly recommend this course to anyone aspiring to be in a leadership role.

Senior SAP Consultant

You have created something very special and exciting in putting this course together. Never lose that underlying belief that when it comes down to it, all anybody really wants is to be themselves and have others see them as themselves. I would highly recommend this course to any leaders interested in stepping up to the next level through better understanding of themselves and others.

Kurt Smith, Manager Programme & Portfolio Management Office, Manukau City Council

To paraphrase an old saying “The journey of a thousand miles starts with a step”. The Authentic Leadership Course is warp factor 8 on that leadership journey. Insightful, thought inspiring, breaks your mental models and takes you to where you thought you could not go in being a genuine leader. Fantastic!
